We reviewed the February circulation statistics.

Director's report: Nick is doing story time weekly. He has Switch games once a month and Dungeons and Dragons twice a month.

The adults want an evening craft night as well as a daytime group. We will try this in April. Sarah weeded the fiction and nonfiction for items that haven't been checked out since 2016. She had a book sale, she gave some books to the veterans, and will donate the rest of the books.

We will have a reading challenge for adults and kids in April.

Sarah and Nick are getting ready for Summer Reading.

Unfinished Business: The IMRF study came back, It will cost \$7323 for a year but we can levy for the money. Barb will check into this.

Hoopla began in mid February. We had to invest \$2000 and we spent \$104 in two weeks on 60 items. We had 7 new library cards in those two weeks. Patrons can check out 8 items per month.

Tim Hickey said we could install an elevator and remodel the bathroom for about \$100,000. He does not recommend the expansion of the building to the east because it would cost too much for the square footage gained. Sarah will discuss this further with him.

New Business: The board members and library staff must take an online Open Meetings Act training by the April meeting. We are also to do a statement of economic interest. We are also supposed to read our copy of our policy review.

We adjourned at 7:45.
